The petition to extend or reduce the territory of any groundwater management district shall be addressed to the chief engineer and shall:

(1) Describe the territory to be annexed or removed by township, range and section numbers and fraction thereof and other platted areas as appropriate.

If, after the hearing, the chief engineer finds that the area proposed to be annexed or removed meets other requirements as prescribed for the organization of a district, he or she shall approve the petition and fix the time when the annexation or reduction of territory shall become effective. A certified copy of his or her order approving the petition shall be sent to the board of directors and to the secretary of state. The board of directors shall file a copy of the order for record in the office of the register of deeds of each county in which the district, as modified, or any part thereof lies.
